

## NEW: Hensel Certo Compact Flashes

Date: October 25, 2018

### Safe, Reliable & Reasonably Priced

Hensel is introducing the Certo 200 and Certo 400, two new compact flash units especially tailored to ambitious amateurs, semiprofessional users, and new professionals starting out. Thanks to their exemplary performance and quality, they also attack budget-conscious pros.

#### The advantages of Certo flash units:

The small and light Certo flashes offer short flash duration times of up to 1/3,400s, fast flash recycling of 0.4-1.1s and a power range covering 6 or 7 f-stops in 1/10 steps. Thanks to their direct access to all major functions, using them is almost self-explanatory. The 16-channel integrated radio sync permits wirelessly firing. Hensel's EH quick-change mount system offers the quickest and easiest way in the industry to attach and remove light modifiers. Certo uses a flash tube with integrated protective safety glass dome. This protects users and the flash tube from potential harm and makes swapping flash tubes a breeze.

Active cooling ensures safe, continuous operation and lets you use the bright 150W halogen lamp (GX 6.35) as modelling light. The performance display can be switched from relative f-stops to watt seconds.

Hensel's well-designed Certo compact flash units offer a cost-effective entry into one of the industry's most versatile lighting systems. A wide selection of light formers expand the user's creative possibilities, further allowing the system to grow with the user's needs. Like all other Hensel strobes, you can count on long-term safety, reliability and serviceability, something only a well-known brand can offer.

## Features

- Small, light, easy handling
- Built-in radio synchronization (16 Channels)
- Part of one of the most versatile lighting systems
- Tough and reliable
- Metal Hensel EH Reflector Quick Change
- Changeable Flash Tube with Safety Glass Dome

## Specifications

	Certo 200 (230 V)	Certo 400 (230 V)
Code No.	8808	8809
Performance Range	3-200 Ws (7 f-stops)	12-400 Ws (6 f-stops)
Power Settings	1/10 f-Stop	
Performance Display	Relative f-Stops or watt seconds	
Flash Sequence	0.4 s – 1.06 s	0.5 s – 1.1 s
Flash Duration (t 0,5)	1/3,400 s – 1/1,600 s	1/2,500 s – 1/1,100 s
Shortest Flash Duration at	200 Ws	400 Ws
Color Temperature	5500 K (+/- 4%)	
Modeling Light	150 Halogen (GX6.35 / 230 V) - Full / Prop / Off	
Power Dumping	Yes	
Fan Cooled	Yes	
Synchronization	Radio / Slave / 3.5mm Jack	
Sync Voltage	5 V DC	
Radio Synchronization Channels	16 (compatible with Cactus® Transmitters)	
Ready Signal	LED (Test button), Audio (On/Off)	
Light Modifier Mount	Hensel EH Quick Change System (Metal)	
Protective Glass Dome	Yes – Safety glass	
Flash Tube	User exchangeable (with glass cover) Part No. 40101131	
Dimensions (W x H x L)	135 x 170 x 280 mm (5.3 x 67 x 11")	
Weight	1.75 kg(3.86 lbs)	1.81 kg (4 lbs)

## Kits

Starting in November 2018, three Certo lighting kits will be available at very reasonable prices. The three kits will include:

Hensel Certo 200 Basic Kit 230V	Hensel Certo 400 Basic Kit 230V	Hensel Certo Portrait Kit 230V
2x Certo 200 - 230V (8808)	2x Certo 400 - 230V (8809)	1x Certo 200 - 230V (8808)
2x Model Lamp 150 W/230V (723)	2x Model Lamp 150 W/230V (723)	1x Certo 400 - 230V (8809)
2x Power Cord EU (9581800)	2x Power Cord EU (9581800)	2x Model Lamp 150W/230V (723)
2x Umbrella-Flood Reflector (87)	2x Umbrella-Flood Reflector (87)	2x Power Cord EU (9581800)
2x Master M umbrella. Ø 82 cm (3180)	2x Master M umbrella. Ø 82 cm (3180)	1x Softbox 60x80 cm (4180068)
2x Certo Light stand (8001569)	2x Certo Light stand (8001569)	1x EH Speedring (4000300)
1x Cactus V5 Transmitter (84540901)	1x Cactus V5 Transmitter (84540901)	1x 7" Reflector (504)
1x Certo Kit Bag (4206)	1x Certo Kit Bag (4206)	1x Grid No. 2 for 7" (508)
1x User Guide Certo & Cactus V5	1x User Guide Certo & Cactus V5	2x Certo Light stand (8001569)
		1x Cactus V5 Transmitter (84540901)
		1x Certo Kit Bag (4206)
		1x User Guide Certo & Cactus V5
